## CHOOSE YOUR BRACES

- Private fixed braces are smaller and have a lower profile therefore are more comfortable, less obtrusive and lighter.
- Choice of high-tech fixed braces – metal or ceramic.
- We use mini-metal brackets that look nicer and can be pimped up with colours.
- Upgrade to tooth coloured or ceramic fixed braces.
- Swift and short treatment times - overall treatment time is shorter and more predictable. There are no bureaucratic processes so you save a lot of time.
- Treatment can be started at your convenience.
- Clinicians use the latest improved technology [without restrictions] to your benefit.

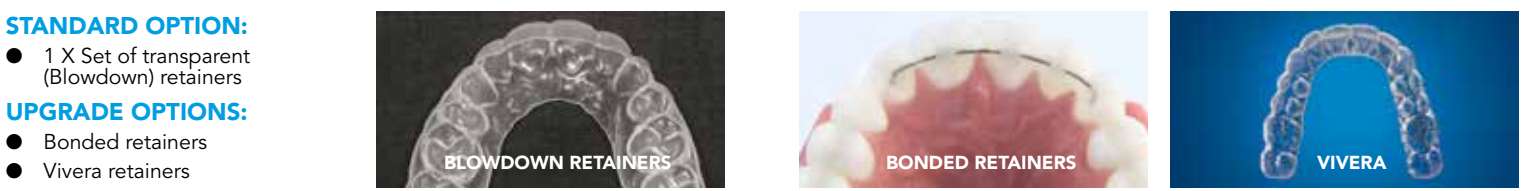

### STANDARD OPTIONS:

## CHOOSE YOUR APPOINTMENTS

- Convenient and flexible, swift smile appointments available after school, after work and at weekends.
- Specialist clinics located in High Wycombe, Beaconsfield, Denham and London.
- Treatment is carried out within our modern clinics which include first class hospitality facilities making the whole process a pleasurable experience.
